My dear Mrs Manley:

I received your card and was delighted to hear from you.

You may send a supply of window cards to me at 228 N Willow Street, and I will be glad to distribute them for you.

I am sorry to inform you that I am not working at present and I will greatly appreciate it if you will remit sufficient funds to cover the work to be done, as I do not possess a car and that I shall be forced to hire one for the distribution.

I was thinking of you a few days before I received your card. I am sure Trenton will be a good baseball territory this year as we have a number of soldiers at Fort Dix now and I am informed, on good authority, that by June 10, fully 10,000 Negro troops will be quartered there, and Trenton will be their Mecca. And to my knowledge no special efforts have been made by any one yet to supply the natural base ball mania.

If you wish me to I will contact Mr Spair, in charge of Dunn Field, and secure whatever information you may desire. Please let me know at your earliest convenience.

Kindest regards to Mr Manley.

Yours truly,

J Dory Laramore
